Marta Mendoza

1st Market Network Codes ESC meeting

29 September 2015

entsoe

Reliable Sustainable Connected

Full release: November 2015

Objectives

Ease stakeholder access to NC implementation information

Allow stakeholder to participate in Committee discussions

Increase transparency

ENTSO-E documentation centre: a single place to access all documents published by ENSTO-E:

Legally mandated deliverables

All ESC presentations, reports, meeting documents

Consultation texts, responses, feedback documents

Explanatory documents, reports, ENSTO-E presentations

Stakeholder groups documentation

ENTSO-E Assembly minutes

European Stakeholder Committees page

ToRs, composition of the committees

Meeting information, agenda, presentations, reports

Live and recorded meetings video streams

Send comments, documents, requests to the ESCs directly from this page (for members and non members)

Register to the meetings
