

IGD	Priority	Title of the IGD
b	1	Cost-benefit analysis (chosen at meeting 13/9/16)
h	2	Parameters of non-exhaustive requirements
i	3	Parameters related to frequency stability
o	4	Rate-of-change-of-frequency withstand capability (RoCoF)
d	5	Harmonisation
p	6	Selection of national parameters for RfG type classification
s	7	Content of a significant modification for retro-activity of the code
a	8	Compliance tests and simulations (chosen at meeting 13/9/16)
r	9	Parameters related to voltage issues
