Process for setting up the EGs and drafting ToR and Annexes

ENTSO-E drafting in July the boilerplate ToR and the Annexes of the three EGs – assessing the ideas received from the stakeholders and considering the nominations of experts - first check with ACER

06/07/2018 -

Deadline for

the EGs

stakeholder inputs

to the boilerplate

text and scope of

ENTSO-E received

the scope of EGs

moderate feedback for

29/06/2018 -**Deadline for** nominations from **GC ESC members**

ENTSO-E received the nominations from each associations/members of GC ESC

11/06/2018 -10th GC ESC meeting

Actions to prepare the EGs for approval in September's 11th GC ESC meeting

07/08/2018 -**ENTSO-E** shared

the draft boilerplate text and Annexes to all EG members for comments

In the meantime doodles were sent and dates for the preparatory calls with the stakeholders were scheduled to finalize the drafts

30/08/2018 31/08/2018 03/09/2018 (x2) 5 4 Preparatory web calls

ENTSO-E summarized all comments received and discussed them during the calls with the EG members in order to create final drafts for the GC ESC to approve

Final edits and ToR compliance 6 until 14/09/2018 GC ESC meeting

- ENTSO-E was in continuous exchange with • the EG members to clarify questions
- Overall the preparations and exchanges were positive
- Work will kick off according to the Annexes
- First follow up steps have already been taken e.g. doodles for 2018 meetings, providing shared environment for documents etc.
