# Feedback from the consultation

# Feedback from the consultation – details

(See details in xls file)

# Feedback from the consultation – highlights

The EC guidelines are not validated yet

Most remarks regard a specific project, or group of projets (support or criticism)

The « maturity of a project » concept is challenged … and praised

The reference capacities are no more commented

# Projects with pending issues

# Main issues for project inclusion in the TYNDP

Projects not matching the EC guidelines

   technical information missing (case 1)

   legal documentation missing (case 2)

Despite dialog/reminders to project promoters

Projects challenged as not reasonable by one stakeholder in the consultation (case 3)

3. **ASSS - ES**
4. **ANSS - ES**
5. **ANGS - DE**
6. **HPS GIRONES & RAIMATS IN ES**
7. CAES Cheshire, UK
8. CAES Zuidwending, NL

9. **GIBREX STORAGE -ES**
10. **Donegal - NI**

# Discussion and decisions

# Decisions

With respect to the inclusion of projects in the TYNDP 2016 projects list, the ND SG recommends to E-E that

- Projects fully matching the EC guidelines are included

- Projects not matching…

- Projects challenged…

(to be discussed and finalised!)

# Next steps

E-E submits minutes of the webinar to the ND SG

By 30 Sept, ND SG approval expected by email

By 30 Sept, E-E notifies every project promoters about the status of their project regarding the inclusion or not in the TYNDP 2016 project list

E-E validates the final TYNDP 2016 project list by 31st October.

E-E publishes the final TYNDP 2016 project list by 30th November
