

TYNDP and the Projects of Common Interest

Olgerts Viksne
European Commission
DG Energy

Second PCI list

- First PCI list was adopted by COM in October 2013
- COM shall ensure that new list is established every 2 years
- For the second PCI list every proposed project shall be part of the latest TYNDP (1)

Criteria in the Guidelines

General criteria

- **Contributes to the implementation of the infrastructure priorities**
- **Economic, social and environmental viability**
- **Involves at least two Member States**

Specific criteria

- **Market integration**
- **Security of supply**
- **Sustainability**

The indicators for the criteria shall be measured in line with the analysis in the latest available TYNDP (2)
