

# Outlook on TYNDP 2016

Robert Schroeder  
ENTSO-E  
System Development Manager

TYNDP 2014 workshop  
4 September 2014, ENTSO-E premises, Brussels

# Evolving TYNDPs – towards 2016

- With the finalization of TYNDP2014, the TYNDP2016 project has kicked off
- Your voice in this consultation can also trigger further TYNDP2016 improvements
- **Scenario Building**
  - First stakeholder workshop on 16 September
  - After iterations, a public consultation scheduled before Summer 2015
- **3<sup>rd</sup> party projects**
  - Submission window for applicants scheduled for February 2015
  - Continuous interaction from TYNDP2014 to the next TYNDP
- **Overall timeline**
  - Long Term Network Development group has shown its value and continuing to be a key forum for European associations to voice their opinion and contribute
  - Increased stakeholders interaction from an earlier stage
  - Towards draft report by Summer 2016
