Go-Live of Balancing Capacity Management IT Solution: Supporting Cross-Zonal Capacity Management between European Balancing Platforms

Brussels, October 25th, 2023

Dear Market parties,

The electricity transmission system operators (TSOs) of the Platform for the Manually Activated Reserves Initiative (MARI), the Platform for the International Coordination of Automated Frequency Restoration and Stable System Operation (PICASSO), the International Grid Control Cooperation (IGCC) as well as the Trans European Replacement Reserves Exchange (TERRE) are pleased to announce that the Capacity Management IT Solution has had its technical go-live on 2023/10/04.

Best regards,

MARI TSOs
PICASSO TSOs
IGCC TSOs
TERRE TSOs
