

TYNDP next steps and stakeholder involvement

Zdenek HRUSKA
RG CCE Subgroup Network Study

ENTSO-E RG CCE stakeholder external workshop
26 March 2014, Bratislava, Slovakia

- 1. TYNDP stakeholder interaction**
- 2. TYNDP next steps**

1. TYNDP stakeholder interaction
2. **TYNDP next steps**

ENTSO-E interacts with stakeholders several ways

- **Bilaterally** – dedicated discussions according the topic between ENTSO-E and ACER/EC/other stakeholders experts
- **ENTSO-E Workshops** – open to all interested parties, information sharing, collection of comments
- **Stakeholder groups** – dedicated groups for a dedicated items, for each code development, for long term grid development, participation for European organisations, material public for all in the ENTSO-E web
- **Participating on external sessions** – giving presentations on ENTSO-E activities on workshops/seminars organized by other associations
- **Publications** – reports, position papers etc.
- **Consultation** – official consultation through a web-tool, open to all

TYNDP 2014 stakeholder interaction

- **Long Term Development Stakeholder group**
- **Workshops/consultations:**
 - 13 stakeholder workshops
 - 6 of which at the regional level
 - 6 consultations/request for input
 - One to follow: TYNDP package consultation – 15 July - 15 Sept 2014
- **The Workshops tackled the following topics:**
 - 2030 visions
 - Cost Benefit Analysis Methodology
 - 3rd party projects procedure for inclusion in the TYNDP 2014
 - TYDNP general process

Long Term Development Stakeholder group aim

- **Enhance communication** between ENTSO-E and stakeholders in order to improve the quality and robustness of the development plan (TYNDP) and related issues;
- **Contribute to more productive information exchanges** and the **creation of a shared understanding** of different views on relevant development/ research/assessment topics; and
- Facilitate greater stakeholder involvement in the TYNDP process, and **enable the stakeholders to play an active role in the TYNDP deliverables.**
- **Increase acceptability of ENTSO-E development plans (TYNDP)**

Long Term Development Stakeholder group
