## Bodies

The decision-making bodies of UCTE are the **Assembly** consisting of all 29 member companies of UCTE and the **Steering Committee** with one representative from each of the 24 member countries represented in UCTE.

The **Bureau** that represents the Association externally, comprises the President José Penedos Protugal, Vice-President Malgorzata Klawe (Poland), the Chairman of the Steering Committee, Hanspeter Aebi (Switzerland), and the Secretary General, Marcel Bial.

## Working Groups

In 2007 UCTE started working in its new structure to better meet the requirements and expectations from its members and external stakeholders. The Working Groups (4 Competence Center Working Groups and 3 Service Center Working Groups) are composed of experts from the member companies. They focus their activities on operations and security, system strategy, co-ordinated planning, compliance monitoring and enforcement, communication, data management and legal affairs. They are installed and entrusted with specific missions by the Steering Committee to which they report according to the Articles of Association and Internal Regulations.
